

Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Wednesday 07 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Sunny spells and a few wintry showers. Light winds.

Today:

Bright spells and a few sleet or snow showers, these becoming lighter and more scattered during the afternoon. With sunny spells and light winds in the afternoon it will feel slightly milder in the sunshine. Maximum temperature 4 deg C (39 deg F).

Tonight:

Mainly dry and clear initially but cloud spreading in with some sleet or snow into western Aberdeenshire in the early hours, mainly dry around the coast, westerly winds increasing too. Minimum temperature -2 deg C (28 deg F).

Thursday:

A bright start around the coast but some rain in the west and strong winds once again. Heavier rain expected by late afternoon or early evening, turning wintry over hills. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:

A period of gales around the coast early on Friday and blustery snow showers on Friday and Saturday, winds easing for Saturday. Drier and brighter on Sunday.
